

Customers who answer all questions will get 2 **FREE** cases of 16.9oz bottles.

1 Name the city skyline each skyscraper belongs to.

A Tokyo B Dubai C Shanghai D Singapore

Unless you were familiar with any of these you would have to google some big city skylines.

2 Who created the floating volcano that cruised up the Hudson River in the summer of 2023?

Beatriz Cortez. I found this when looking for local news/events. I wish I had seen this earlier, I would have gone to see it.

3 What area would this item cover when placed on a surface?

This was strictly math. Area of a circle is  $\pi$  times radius<sup>2</sup>. A google search gets you the diameter of a Kennedy half dollar. Divide that in half, square it then multiply by  $\pi$  (3.14). Correct answers would be 735mm<sup>2</sup>, 7.35cm<sup>2</sup> and 1.13inches<sup>2</sup>.

4 How did the crocodile in Peter Pan get its' nick-name?

She (the croc was female) swallowed a clock thus the nick-name Tick-Tock.

5 Name the novel, published in 2023, that takes place in Hudson NY and is set to become a series starring "Villanelle"

Big Swiss is the novel. HBO announced it would be making this into a series starring Jodie Comer. Jodie Comer played Villanelle in the series Killing Eve. That was the clue.

6 Name the resident West Coast artist who created this sculpture in glass.

Dale Chihuly is the artist. This is a great visit if you are in Seattle. Lots more really cool sculptures to see.

7 Explain "the five Johns" from the first Star Wars movie (1978).

Five different guys named John won Oscars. This could have been worded better. Still a lot of people got it correctly.

8 Courtney made another trip in 2023 where she captured the photo below. This bridge is grouped "Grandly" with three other bridges in this popular city. Name the four bridges.

These are the four bridges that span the Grand Canal in Venice. They are: Ponte degli Scalzi, Ponte dell Accademia, Ponte della Costituzione and Ponte di Rialto.

9 The Rolling Stones recently released their 26th studio album. These aging rockers keep on going but I doubt they will break the record for the oldest to top the UK singles charts. Name the "pop star" who set the record in 2020.

Captain Tom Moore. A well worded google search would get you this.

10 What Edson School celebration prompted the photo below?

This is Marshall daughter Maci who came up with this great entry for Crazy Hair Day, one of the spirit days observed at Edson. I thought some parents would get this because they had kids involved also. You could also come up with this answer perusing Edson Schools Facebook page.
