Keeping you cool and hydrated is our top priority at Binnewater. A refreshing glass of Binnewater or the perfect ice cubes for your drink are what we are focused on each and every day. Always searching for the next level in refreshment, we are continuously adding new products to help accomplish that goal. This year we are proud to introduce Binnewater Spring Water in both aluminum cans and glass bottles. And for that perfect cocktail, we now carry Abstract Craft Cocktail Cubes that add some elegance to your glass.

For over 115 years, it has been the hard-working employees that have made Binnewater a success. This year we were proud to see both Outside Sales Manager, Tom Schrader and Equipment Technician, Bill Frangis retire. We can't thank them both enough for all they have done and wish them a fun and relaxing retirement!

From everyone at Binnewater, we wish you a happy holiday season and a joyous new year!

Sincerely, Marshall Gogg President Binnewater Ice Co.

Be sure to check our Facebook page for seasonal specials on ice melting products!
